

YOU'RE INVITED!

Bing Thom Architects invite you to a Community Social to explore the future of the “Broadway and Commercial Safeway site”.

NEW COMMUNITY SOCIAL DATE: NOVEMBER 19, 2016

Now that the Grandview Woodland Plan is approved, an opportunity exists to reimagine the Safeway site into a dynamic gateway for the community. We are brainstorming a new urban typology for the city and for family living - an innovative community-based approach that leverages outdoor green space, neighbourliness, and connectivity to the surrounding area. Before we begin our design process, we want to hear from you.

We look forward to celebrating the unique and valued qualities of the neighbourhood with you.

Join us for light refreshments and fun family activities (face painting and balloon artists!) at Federico's Supper Club.

Event Location

Event Details

Date: **Saturday, November 19, 2016**
Time: 11:00am - 3:00pm (drop-in)
Place: Federico's Supper Club
