

PLEASE JOIN US

The Broadway and Commercial Safeway Project Team, is pleased to invite you to a public information session.

We are excited to share our initial concept and hear your feedback for our proposal at this important site (1780 E Broadway) and a new form of family-oriented housing.

Bing Thom was an internationally renowned architect whose work has impacted cities and communities around the world. Bing had a vested interest in the vitality of neighbourhoods and with each project he sought ways to make a positive contribution to the community through his architecture. He was truly inspired by the character of the Grandview Woodland neighborhood and envisioned a unique project for Broadway and Commercial. To guide the project, Bing developed seven Big Ideas that we shared at our “Ideas Fair” in November 2016. Since then, the project team has developed a concept around these ideas and the early public feedback they inspired.

Bing Thom Architects (BTA) are proposing to transform the Broadway and Commercial “Safeway Site” into a precedent-setting project that will re-imagine transit-oriented development in Vancouver. With a focus on family-oriented housing and a new and expanded Safeway store, we are also exploring new kinds of work, retail and public spaces.

We welcome you to join us as we share our vision for this important site and we look forward to hearing your feedback and ideas.

Event Details

Date: Tuesday, June 27, 2017

Doors: 5:30pm

Presentation: 6:00pm (presentation by Michael Heeney of BTA)

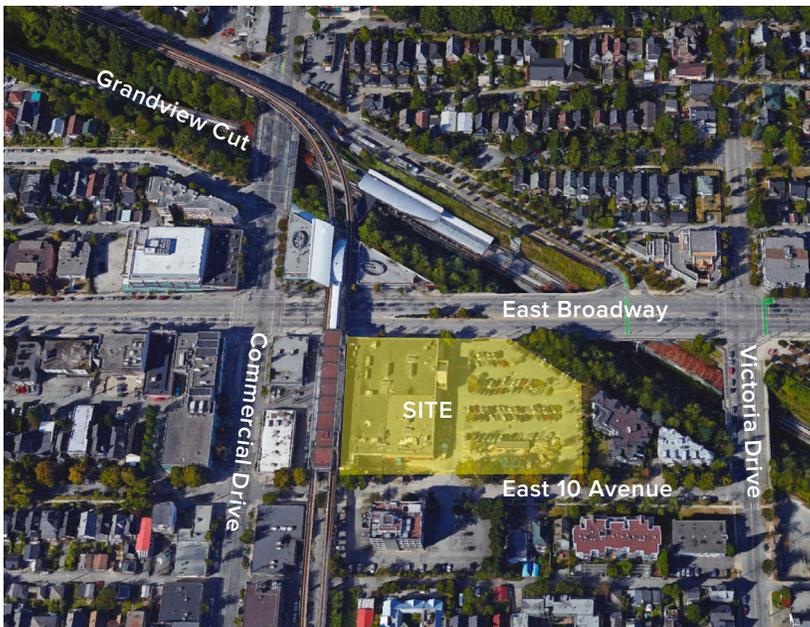

Open House: 6:15pm - 8:30pm (drop-in)

Place: Croatian Cultural Centre
3250 Commercial Drive, Vancouver

Join us for light refreshments
and fun family activities

Event Location

The proposal for Broadway & Commercial is a mixed use project that will incorporate residential, office, retail and public space.

The pre-application open house is an opportunity to see our initial plans, learn how the project complies with the Grandview Woodland Community Plan and ask questions or provide feedback to the project team.

Project Team:

- Crombie REIT
Property Owner
- Westbank
Development Partner
- Bing Thom Architects
Project Architect
